

ALTON CLASSIC CAR SHOW SATURDAY 17 SEPTEMBER 2022

BOOKING FORM

The Alton Classic Car Show organised by Alton Lions Club (CIO) and supported by Alton Town Council will be an all-day event held in Alton Town Centre on 17 September 2022. In addition to classic vehicles and vehicle clubs, the event will include live music and family entertainment together with all the hospitality and retail offering of a traditional country market town.

All exhibitors will receive a welcome pack donated by the event sponsor **The Little Grey Cells** and other local businesses; your vehicle will also be entered into the appropriate judging class. As well as trophies for each class, a Special Package will be awarded to the Best in Show.

Entrance fee

As it is held in the streets of Alton, the Classic Car Show is a 'free to view' event for the public. To cover the administrative costs of staging the show, and to maximise the subsequent donations to charity, there is a fee to all exhibitors for registering each of their vehicles: this is **£10 in advance** and **£15 on the day**. Any proceeds from the event will be donated to charities supported by Alton Lions Club (CIO).

Your registration fee can be paid by either of the following methods:

1. An electronic bank transfer: To Alton Lions Club (CIO) 40-08-21/81000233
2. A cheque: To Treasurer at Alton Lions Club (CIO) 1 Archery Rise GU34 1PG

Please include your vehicle registration number in the bank transfer reference or on the reverse of your cheque.

Vehicle details

As we want to promote you and your vehicle(s) it would be appreciated if you could include a photograph and description of your vehicle with details of its history and any restoration undertaken. Some of these will be chosen as feature vehicles for the programme and all vehicles will have their own page on the show website.

Please note that following booking you will be allocated a parking spot but due to the finite space available you must book in advance to gain entry to the high street.
